## Hosting Program

Thank you for your interest in the Kidsave Hosting Program. We are here to guide you through the hosting process, and to assist should you choose to adopt. We ask that you complete the attached Adoption Application Part 1, even if you do not plan to adopt. The Adoption Application Part 1 will help us determine your eligibility for hosting. By completing this free application, you are not committing to adopt.

However, if you are committed to adopting from Colombia, whether adopting a child hosted through Kidsave or not, you may benefit from proceeding with adoption paperwork during the hosting process.

For us to best assist you, and ensure the greatest efficiencies in your process, please answer below which option represents your interest at this time:

- Host only
- Host with the potential to adopt
- Host with the intention to adopt from Colombia

Please submit this cover sheet along with your Adoption Application Part 1 to get started on your hosting journey.
