01

Welcome to CH/LSS

In this section, applicants learn more about our agency's history, structure and values, State-wide presence, and basic overview of our agency.

02

About the Kids

This section is designed to help future caregivers understand more about why children enter foster care, Child Protective Services, and are considered Minnesota's Waiting Children.

03

Application, Home Study, and Licensing

This section gives a thorough overview of the entire process from application to full licensure. It dives into the state requirements as well as our agency guidelines and expectations as applicants move through these various phases.

04

Roles and Responsibilities of Caregivers

This section is a deep dive into what happens once someone is licensed covering topics like following CFC Rule, child wellbeing, home safety, the 12-hour annual training required, and re-licensing.

05

Placement Types

This section summarizes the various goals and outcomes of different kinds of placements, including traditional foster care focusing on reunification and adoptive foster care focusing on permanency through adoption.

06

Support Before, During, and After

A final section to review things like expected timelines, reminder of program expectations, and an overview of the comprehensive support our agency provides.
